

# ANCESTRAL SKILLS GATHERING AT MEADOWLARK HEARTH FARM

Join us for three days of in depth instruction in ancestral skills. Flint knapping of arrowheads and tools, Making and using cordage from wild plant fibers, Hand drill and bow drill fire making, Wool felting and drop spindle spinning, Hide work and bead work, Wild plants and their uses, Atlatl making and throwing, and more. This is a unique opportunity to discover history in a living way through direct experience and join with others in camping, music storytelling, hiking, birding, star gazing, folk dancing and social time.

Camping is available and participants traveling from a distance need to arrive the afternoon or evening of August 19 to set up camp.
